

Picton High School Flexi Pass Permission Note

SENIORS 2020

Due to timetable arrangements I wish to apply for early leave:

I understand that these arrangements enable students to undertake private study at home.

- Students must attend all assemblies/functions or any other school activity where their attendance is required even when classes are not timetabled during the school day (eg carnivals).
- They must travel by the mode of transport indicated below.
- Students who arrive late or leave early must sign in/out at Student Central, except when all students are timetabled to leave.
- On Wednesdays, Senior lessons conclude at midday. You may leave without signing out at Student Central or choose to stay for a study period in the Senior Study.
- Any student who contravenes these rules will have their flexi pass revoked.
- All students who are on the school grounds and do not have a timetabled class are expected to be in the senior study.
- If a teacher is absent and no relief teacher has been provided for period 4 you may leave by signing out at Student Central.
- Careers Advisor—TAFE students approval

Student Name: _____ Student Signature: _____

Parent/Guardian Signature: _____ Date: _____

Please **CIRCLE** the modes of transport that will be used to travel from school when your student utilises their early leave pass.
walking/public transport/collect by carer/driving self/driven by another student

NB: If a child is being driven by another student then that student must have comprehensive insurance to entitle them to cover any passengers in the vehicle. Please complete a Student Driver Permission Note

This form is to be returned to Student Central
