

YEAR 10 Geography Cat 2 Assessment Task

Due Date: 21 ST May 2020 (Thursday Week 4)	Assessment Name: Human Wellbeing Writing Task
Mark: / 10	Weighting: 25 %

SYLLABUS OUTCOMES TO BE ASSESSED:

GE5.8 - communicates geographical information to a range of audiences using a variety of strategies.

GE5.6 - analyses differences in human wellbeing and ways to improve human wellbeing.

GE5.4 - accounts for perspectives of people and organisations on a range of geographical issues.

DIRECTIVES TO BE ASSESSED:

Account - Account for: state reasons for, report on.

Analyse - Identify components and the relationship between them.

TASK DESCRIPTION – Writing Task – Human Wellbeing

- You will be required to write a response to the question below.
- Your response must be **NO LONGER** than 700 words (approximately 1.5 typed pages at 12 pt font).
- Your response should be structured with a short introduction, three body paragraphs and a short conclusion.
- Three sources will be provided (see Pages 3-4). Each source should form the basis of your three separate body paragraphs.
- Evidence of additional research will be required to achieve 70% or higher.
- A scaffold has been provided for you to model your response off. It is located on Page 2 of this document.
- **You are required to submit your response via the Google Classroom WITHIN THE GOOGLE DOC PROVIDED IN THIS POST.**

Question - 'Analyse the differences in human wellbeing around the world, account for these differences and suggest strategies to overcome the imbalances in these differences'

ASSESSMENT CRITERIA - STUDENT CHECKLIST:

Your answer will be assessed on how well you:

GE5.8

- Communicate geographical information to a range of audiences using a variety of strategies including;
 - Structured sentences and paragraphs
 - Reference to the sources provided
 - Evidence of additional research

GE5.6 & GE5.4

- Analyse and account for the differences in human wellbeing and ways to improve human wellbeing through;
 - Identifying key features of the sources provided (patterns within each map of the world)
 - Accounting (giving reasons) for the differences around the world
 - Outlining strategies currently being implemented around the world to improve human well being

RESPONSE SCAFFOLD

Introduction

- Define key terms of the question.
- Make a statement about human wellbeing around the world.

Paragraph 1 - Analyse Source 1

- Identify the key features (or patterns).
- Account (give reasons) for these features.
- Outline strategies (methods) currently used to improve human wellbeing around the world for the issue in Source 1.

Paragraph 2 - Analyse Source 2

- Identify the key features (or patterns).
- Account (give reasons) for these features.
- Outline strategies (methods) currently used to improve human wellbeing around the world for the issue in Source 2.

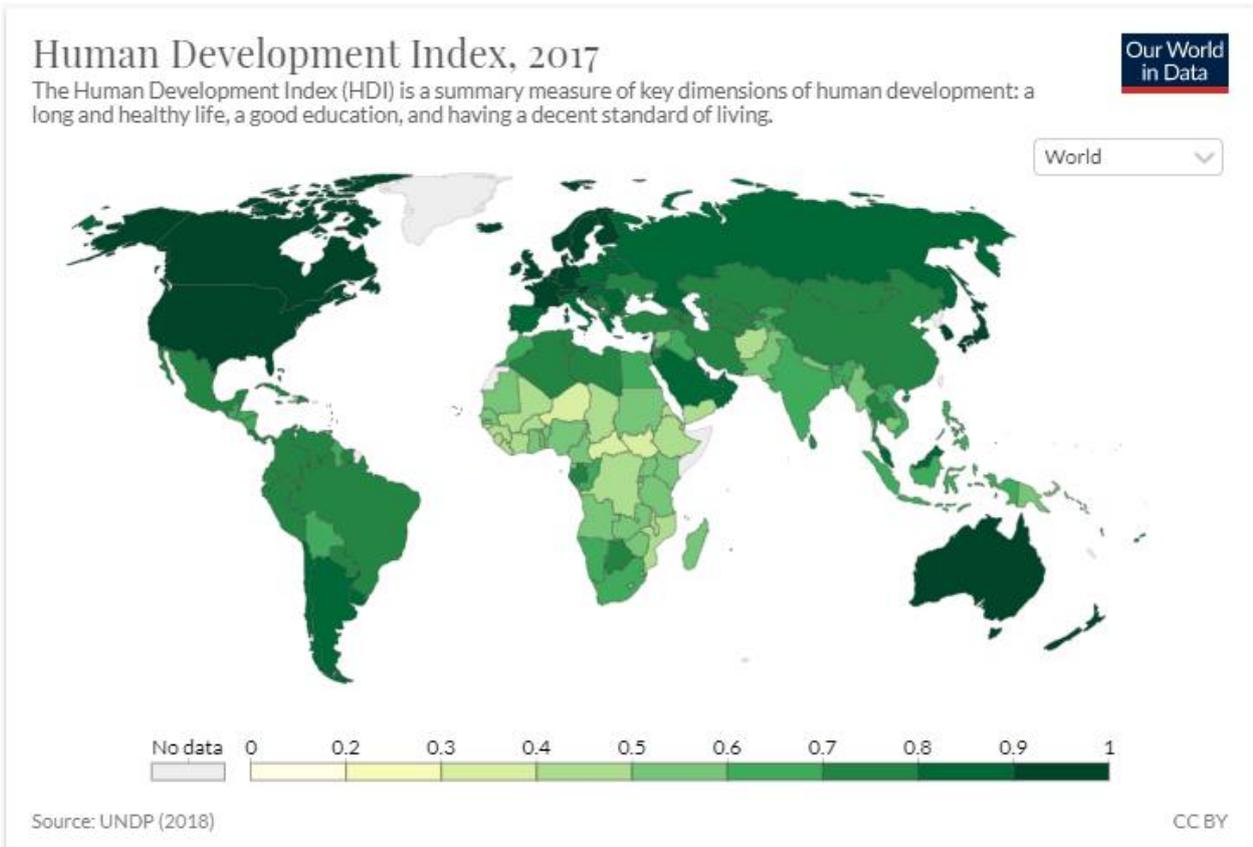

Paragraph 3 - Analyse Source 3

- Identify the key features (or patterns).
- Account (give reasons) for these features.
- Outline strategies (methods) currently used to improve human wellbeing around the world for the issue in Source 2.

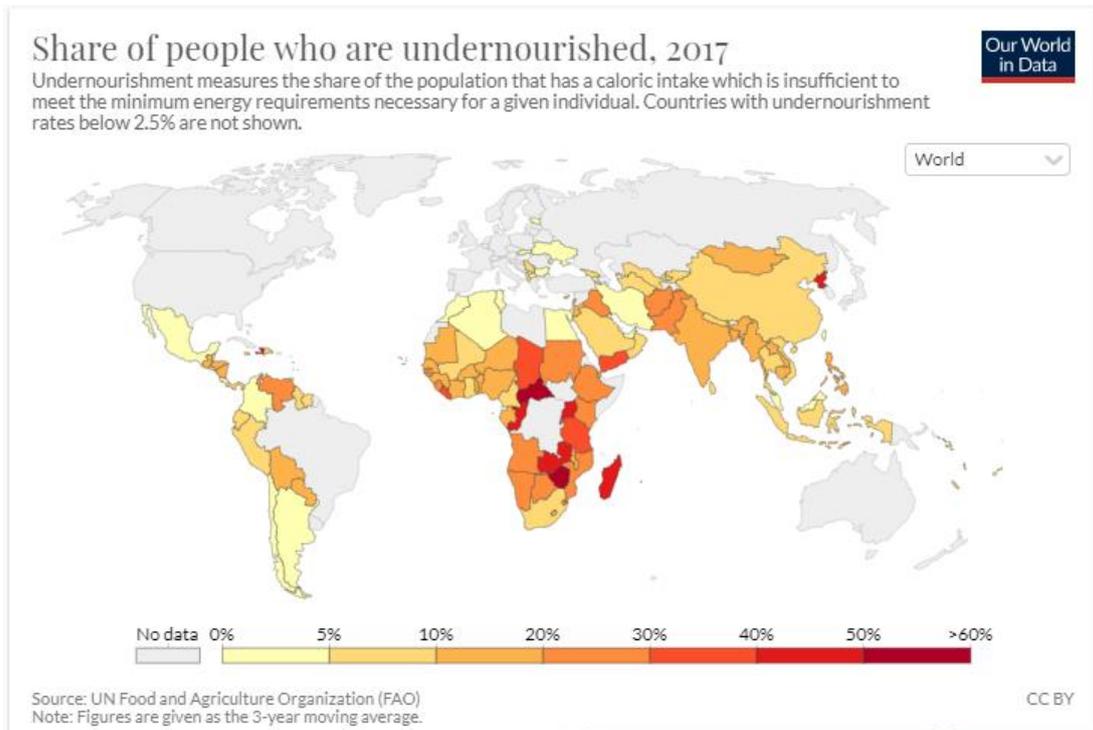

Conclusion

- Briefly summarise your findings.
- Deliver a broader statement on the issue of human wellbeing around the world.
