

PICTON HIGH SCHOOL

Creating Opportunities Achieving Success

13th February 2019

Dear Parents/Caregivers

It is with great pleasure that we welcome you to the ALIVE program for 2019. This marks the start of an exciting opportunity for your child to develop their social, emotional and education needs and develop their life and employment skills. We are looking forward to seeing how your child will contribute to both the ALIVE team and the wider community while continuing to develop as individuals. Already the ALIVE students have embraced this opportunity, through determination and commitment they have shown to program.

We would like to take this opportunity to introduce the staff involved in the ALIVE program this year and outline the basic schedule/program for this semester. Please be advised that the schedule/program provided is a basic outline and is subject to change.

Introducing the  Team for 2019.
