PHS Common Room

Meeting Opening: 3.35pm

Present: N Hale, A Smith, K Devine, L Ryan, G Smith, J Jolliffe, T Turner, O Tesoriero, M Lee

Apologies: L Shanahan

Minutes from last meeting accepted/seconded: G Smith, L Ryan

Guest Speaker: Olga Tesoriero & Matt Lee (Mathematics faculty) on Hot Maths & Maths Space program that the faculty have been trialling this year. Both are on free trial in 2017, both programs have different merits. Looking for funding for 2018. Costs range from \$20-\$40/student/year. Year 9 numeracy has improved, have been using in maths in all years. Teachers witness library students using the programs in their breaks; some students are allowed to use if finishing their work early. Noted that 2/3 of yr 7 have chromebooks. Issues: not bringing everyday, not charged up.

President's Report:

1. **Computer Levy** investigating to buy Chromebooks for maths program
2. **Fundraising** Comedy for a Cause \$12/hd from a company, tix \$30-35 adults. School sells tix. Min no's required, suggested April 2018
