CREATING OPPORTUNITIES ACHIEVING SUCCESS

ISSUE 7 | TERM 4 | WEEK 5 | 2018

STATE BAND CAMP

William Turner of year 12 was chosen to attend the NSW State Music Camp which was held at the Sydney Academy of Sport and Recreation, Narrabeen from Sunday July 1 to Friday July 6. The aim of the camp is to promote excellence in all forms of music making and provide gifted and talented students with extension experiences. 249 students from all over NSW attended the camp and spent six days making, composing and performing music under the tutelage of 37 expert teachers. The camp concluded with a performance showcasing the talent of the students. Will performed in the wind ensemble playing euphonium, the brass ensemble playing trombone and he sang in the final camp item, Verdi's Requiem, which brings together all 249 students. Will had a wonderful time on camp and gained a lot from the experience.

VINYL WRAP DESIGNS

Picton High School students from years 7 to 12 have the tremendous opportunity to design large scale vinyl wraps to decorate and liven up the new temporary school. On Monday 5th November, students engaged in specialty workshops to design over 50 vinyl wraps to decorate the new school buildings and represent the values and culture of Picton High School. Teachers Mrs Mathie, Miss Seach and myself worked with students utilising both hand drawing and digital technology to design and draw the wraps.

A big thankyou to all students for their hard work and dedication.
